

## Re: Application for Scale A Teacher – PCT Project – Fixed Term (2020-2021)

Thank you for your interest in the advertised position of Scale A teacher under the APPA/PCT/BTP project for 2020 -2021 (Fixed Term).

The Beginning Teacher Project enables you to be employed and paid as a scale A teacher, to work alongside our teachers in the ESOL team, growing your knowledge of the school, families and children and then starting a new Year 1 class around May 2020. At that time, when you have your own class, you will also start PCT release. The school guarantees and supports your employment for 2 years up to full registration.

We have had 2 past beginning project teachers who have both ended up permanently appointed and they believe it was truly the best start to their teaching career. We are looking forward to welcoming new staff to our dynamic, collaborative and supportive team.

We think our school is pretty amazing. We are highly regarded both within New Zealand and internationally for our Innovative Learning Environments, our commitment to personalised learning and student agency, our openness to new learning and our outstanding buildings and resourcing. Our students are kind and caring and bring a diverse range of perspectives to our learning zones.

At our school we will strive to support you in a variety of ways to ensure that your time with us provides you with opportunities to grow, be happy in your work and connect with our staff and community. Some of these ways include:

- 1. Supporting your Work Environment** with modern, collaborative learning hubs and shared spaces.
- 2. Supporting Teaching and Learning** through effective support structures and belonging to one of five whānau and smaller teams of two or three teachers.
- 3. Supporting Professional Learning** with your own learning through inquiry, reflection and study.
- 4. Supporting your Career** - through a commitment to providing opportunities to grow your capacity and hopefully to provide you with a challenging and motivating environment to grow your leadership skills and attributes.
- 5. Supporting your Wellbeing in our Work Environment** by encourage staff to pursue their own active sporting and wellbeing interest. For example, we budget up to of \$100, on a FTTE pro rata basis, each year for expenses related to wellbeing. We want you to have great work life balance.
- 6. Supporting your need to have Fun!** We like to build in some social activities to relax and unwind and get to know our fellow staff outside school.
- 7. Supporting You!** These systems will support you to be able to work to the best of your ability and grow as an educator and leader

**Applications close:** Friday 6<sup>th</sup> December

**Position commences:** Tuesday 28<sup>th</sup> January 2020

**Position ends:** Thursday 17<sup>th</sup> December 2021

Your application should include a curriculum vitae and a completed application form. **Please put the position you are applying for in the subject line.** Electronic applications preferred.

Please send applications to [principal@freemansbay.school.nz](mailto:principal@freemansbay.school.nz)

We look forward to considering your application to join our team at Freemans Bay School.

Ngā mihi,

Sandra Jenkins

*Principal – Freemans Bay School*

Freemans Bay School is a U6 contributing Primary School. We are a multicultural primary school situated in Freemans Bay, close to Auckland's central business district and Ponsonby Road. Many of our students come from the greater Ponsonby area and the central city, however a number commute from all parts of Auckland. Although we are an inner-city school, we have chosen to develop a wonderful green space. Our grounds are expansive and there is plenty of space for play and activity. We ended 2019 with just over 500 students and a staff of 60.

Our school has two learning pathways for our students; our Māori pathway, Whānau Ata, which delivers Marautanga o Aotearoa in Te Reo Māori and our English pathway which delivers the New Zealand Curriculum. A commitment to Ako and Te Tiriti o Waitangi is reflected in our school culture.

Our learning spaces are ILE learning zones and so we welcome teachers who are passionate about the potential of ILE's and embraces opportunities to be innovative and collaborative practices. We are looking for teachers who have an understanding of; how to personalising learning for our students, use digital technologies, integrate the curriculum and teachers who demonstrate an understanding and appreciation of our diverse community. We expect our teachers to be passionate about learning themselves and to be able to articulate their own recent learning related to teaching and learning. Our curriculum is not all about reading, writing and maths. We want our learners to develop passions and have the opportunity for authentic inquiry. We are committed to making a difference for our priority learners and therefore all learners.

The students at our school are amazing! They are generally kind and caring, connecting with people from diverse backgrounds and cultures. We celebrate the diversity that our students bring to our school. Most students are committed to their personalised learning opportunities, taking responsibility for their own learning that their teachers offer them.

The school is going through an exciting time of change as we welcomed two new Deputy Principals to the school leadership team in Term 3 2019. The current Principal, Sandy Jenkins, is set to retire in 2020 and a new Principal will bring new ideas, building on the current innovative, collaborative learning environments we currently have. Most of the teaching staff have been with the school for a number of years and are looking forward to continuing to refine teaching and learning to make a difference to our learners.

During 2015 – 2018, the school was rebuilt as part of the Ministry of Education “New Schools Build” project. We are committed to ILE environments and our teachers collaborate in teams of two or three within these spaces. These future focused spaces provide an opportunity to give traction to our vision of Engage, Empower, Enrich.

Our journey with the Kāhui Ako o Waitematā continues. We are a collaborative network of schools seeking to learn from and with each other as we create seamless pathways for students from Primary through to Secondary education and beyond. The Kāhui Ako o Waitematā is unique in that these Auckland inner city schools have a commitment to dual curriculum pathways; both Māori through Marautanga o Aotearoa and our English pathway which delivers the New Zealand Curriculum.

For more detail refer to the FAQ on the Vacancies Page of the Freemans Bay School Website or [click here](#).

# Freemans Bay School Vision Statement

## Freemans Bay School Vision Statement:

Create a stimulating, inclusive learning environment which empowers, engages and enriches learners to prepare them for their future world.
